AUTHORIZATION FOR RELEASE OF INFORMATION

To patients or Legal Designees:

FACTS ABOUT OBTAINING YOUR MEDICAL RECORDS:

You have the right to obtain a copy of your medical records. A signed authorization form which contains certain criteria is required. This form must be fully completed before any medical information can be released. Incomplete forms may be returned for completion.

If you request an EHI Export of your health information, you will receive protected health information maintained in or transmitted by electronic media to the extent that this is included in a designated record set. Your electronic health information will be made available to you in an electronic machine-readable format that a computer or app can read. This format is different than receiving paper or electronic copies of your medical records.

COSTS:

Kentucky law allows you one free copy of your medical record. This free copy is requested by you for yourself or for a third party. Additional requests will cost \$1 per page if on paper and \$5 per disc if requested electronically.

WHEN AND HOW WILL I GET MY RECORDS?

Requests will be completed within 30 days of receipt. Records will be delivered as indicated on the request. If you are picking up your records, please note that they will only be held for 30 days once notice has been made that they are ready for pick-up. If they are not picked up within 30 days of the date of the notice, the copies will be destroyed, and a new request will need to be completed. Please include your phone number so that we may call you when the records are ready for pick-up.

HIM Department Hours of Operation are Monday through Friday 8 am to 4:30 pm excluding holidays.
